**Honorable Augustin Zagrean, President  
Constitutional Court of the Republic of Romania**

(In his capacity as President of the Circle of Presidents of the Conference of European Constitutional Courts)

**Subject:** Application to be admitted as Associate Member to the Conference of European Constitutional Courts

Honorable President Zagrean,

On 14 February 2011, I addressed a letter to you, in your capacity as President of the Circle of Presidents of the Conference of European Constitutional Courts, informing you that it would be a great honor for the Constitutional Court of the Republic of Kosovo to be invited to the XVth Congress of the European Constitutional Courts to be held in Bucharest.

As stated in the application letter, I would be delighted, if the Conference would be willing to consider the Application of our Constitutional Court to be granted the status of Associate Member to the Conference of European Constitutional Courts, pursuant to Article 6 [Obtention of membership] of Section II [Obtention and loss of membership] of the Statute of the Conference of European Constitutional Courts.

As you may know, our Constitutional Court has already established a privileged relationship with the Constitutional Courts of Albania, Austria, Germany, Portugal and Turkey, which has lead to a close cooperation and regular contacts with judges and staff members of these Courts.

In order to make the other Presidents of the European Constitutional Courts at the Conference more familiar with the Constitutional Court of the Republic of Kosovo and its activities, it would be very useful that, if invited to the Conference as an observer, I would be given the opportunity, with your permission, to shortly address the participants.

I am, therefore, very much looking forward to being invited to the Conference in Bucharest.

Yours sincerely,

Prof. Dr. Enver Hasani  
President of the Constitutional Court of the Republic of Kosovo
